# Kung Fu Phonics

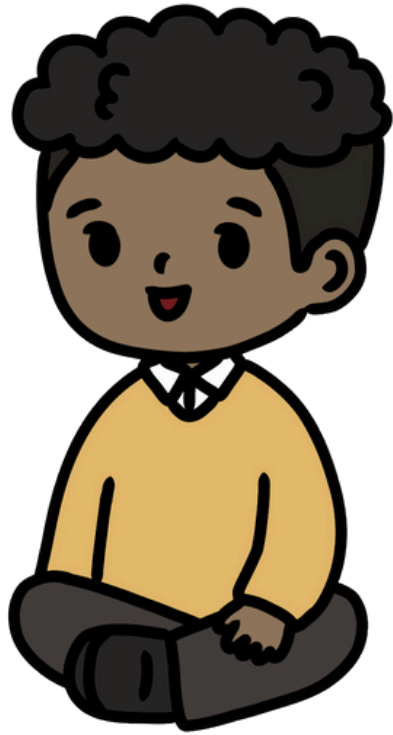

Note: These are the same picture cards as in the supporting resources.

## How to Play

- 1 Place the three picture cards in a bag and give each child a whiteboard and pen.
- 2 Make sure the children are standing in an open space where they have room to move safely.
- 3 Invite a child to pick a picture card from the bag and show it to the group.
- 4 The children segment the word out loud using Kung Fu Phonics moves. They punch the air for each sound in the word, then kick the air to blend the sounds together.
- 5 After blending, the children write the word on their whiteboards.
- 6 Encourage them to repeat the segmenting and blending as they write to help them remember the sounds in order.
- 7 Repeat the activity with the other two picture cards.

Tip: You can change the actions if you like- for example, pretend to bounce and shoot a basketball instead of punching and kicking.
