Treasure or Trash

How to Play

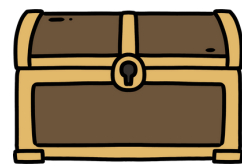

- 1 For this game, you will need a treasure chest and a trash can. If you don't have these as real items, you can simply print and stick the picture versions onto boxes.
- 2 Once the treasure chest and trash can are set up, lay the picture cards in front of them, and put the word cards into a bag- if you have a drawstring pirate-style bag, even better!
- 3 Children draw word cards one at a time from the bag and read them.
- 4 They must decide whether each word is real or fake, placing real words in the treasure chest and fake words in the trash can.
- 5 Additionally, encourage them to find the matching picture card for the real words. This not only helps determine if the word is real but also shows that they understand what they've read.

Playing with a Group

Play in the same way, with the children sitting in a circle, the treasure chest and trash can in the middle, and the children passing the bag of word cards around the circle, taking turns to draw and read the words.

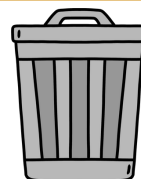

Toolbox Items:

You can substitute these items with similar ones

treasure chest

&

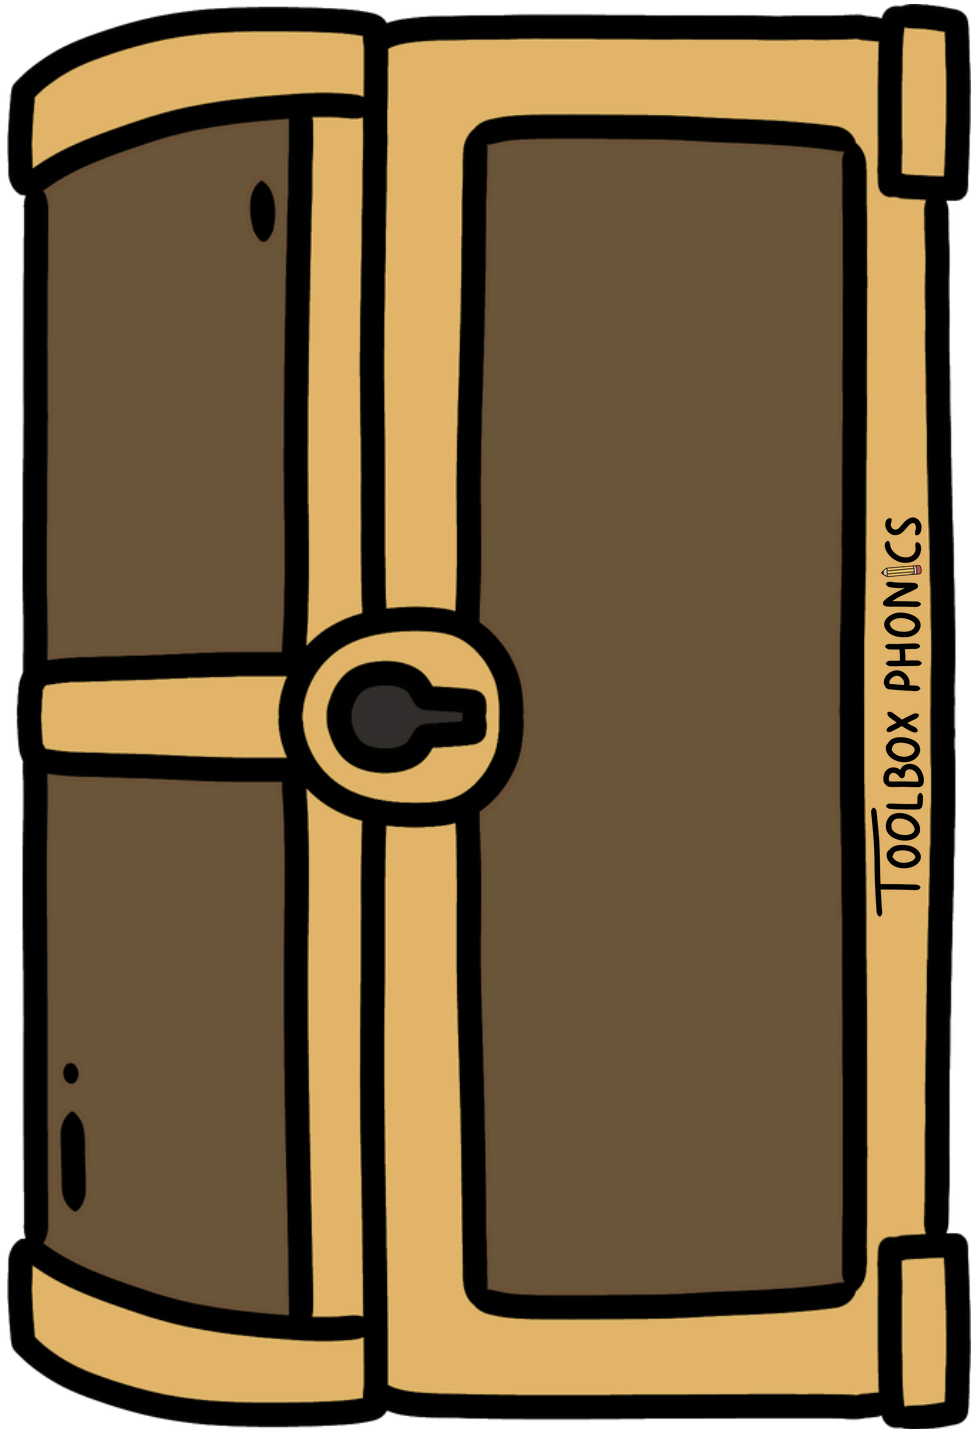

trash can

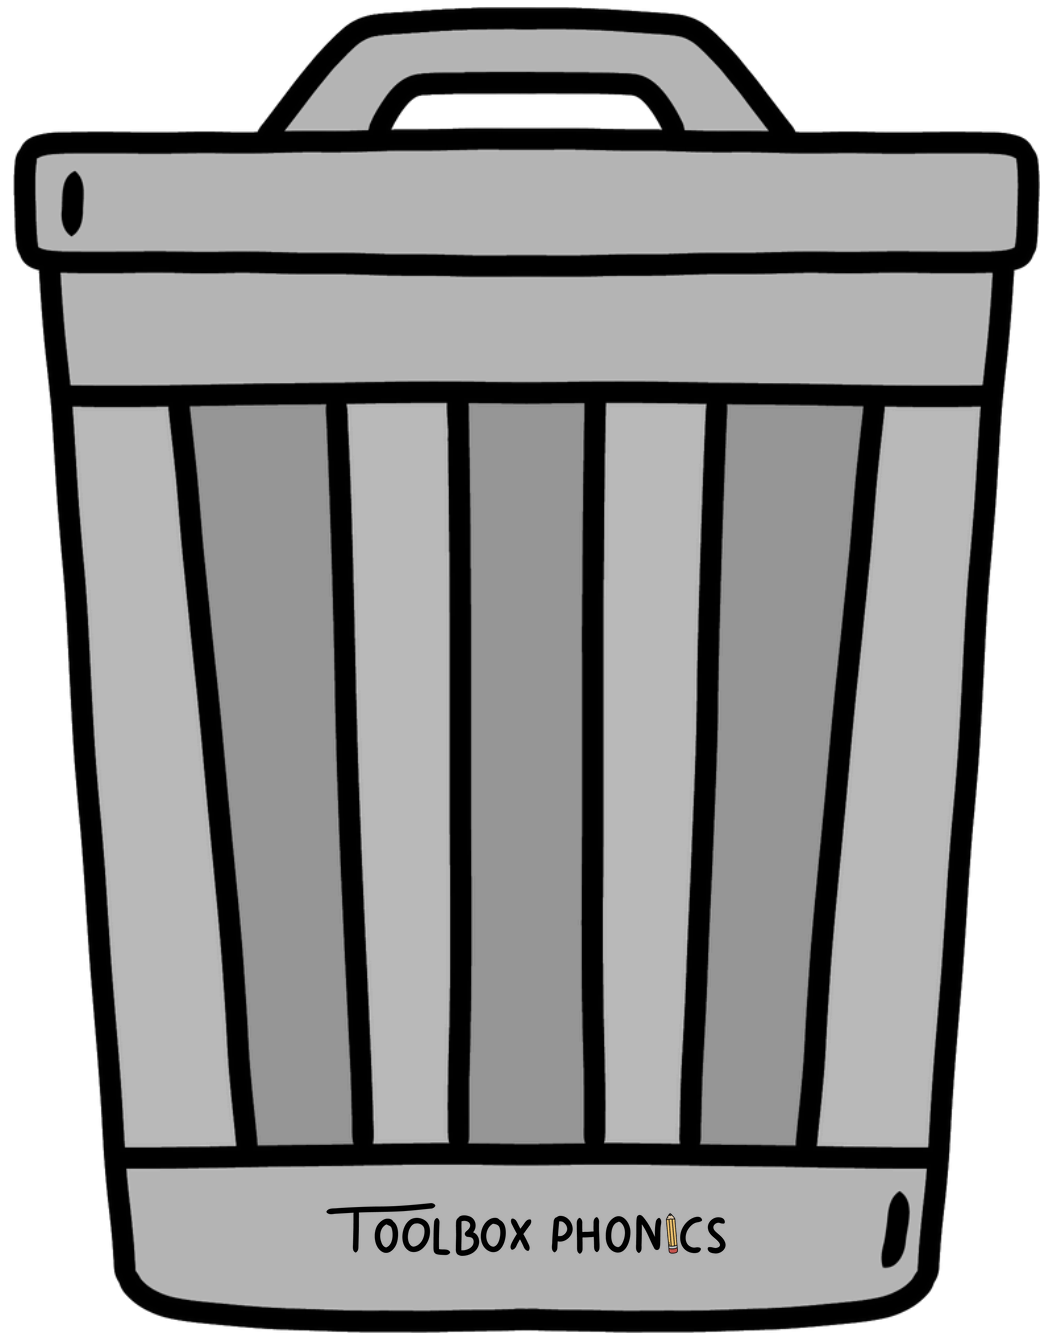

or

stick 'treasure/trash' pictures to boxes
