Hide & Find

If you already have picture cards then you do not need to print this resource.

How to Play

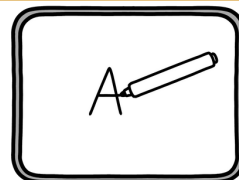

- 1 Hide the picture cards around the room.
- 2 Print the pages labelled **j**, **v**, **w**, and **x**, or create your own on large sheets of paper.
- 3 To play, the children move around the room to find the hidden pictures.
- 4 Each time they find a picture, they return to the table and record the word on the correct sheet of paper.
- 5 Encourage the children to sound out the words as they spell them.

Playing with a Large Group

Ensure that the labelled pages the group is using to record words are large enough for everyone to share. You could either print the sound sheets on A3 paper and lay them out on a table, or divide a large whiteboard into four sections, labelling each one: **j**, **v**, **w**, and **x**.
