Zig Zag Books

How to Play

- 1 To make a 'zigzag book,' cut pieces of A3 paper in half horizontally, then fold the strips of paper in on themselves to form a zigzag shape.
- 2 If you don't have A3 paper, simply staple or tape together three pieces of paper to create a book with six back-to-back pages.
- 3 The child/children will cut out and stick the images onto each page of their book and write a matching sentence, using the Phase 3 tricky words: **he**, **she**, **we**, **me**, and **be**.

Tip: Example sentences are included in this download.
