Pairs Game

Note: Print the game cards back to back- the pattern ensures players can't see through the paper!

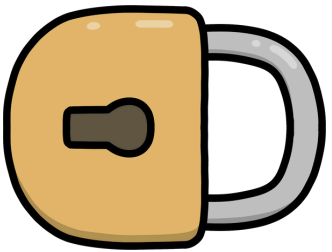

How to Play

- 1 Instruct the children to sit in a circle and lay out the cards face down.
- 2 Players take turns turning over two cards at a time. If the cards match, they keep them. If they don't, they turn them back over and continue the game.
- 3 For two cards to match, they must be the root word and its corresponding 'un' word, e.g. 'pack' and 'unpack'.
- 4 If the group is large, split them into two teams. Each time a member of a team finds a match, they gain a collective point.

Playing with One Child

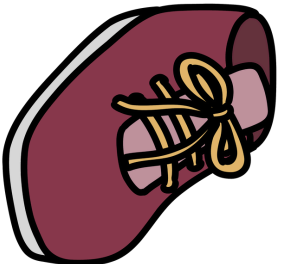

If playing with one child, use the small version.
