# Hammer Chant

## How to Play

- 1 For this song, you simply chant the words while incorporating an action with each.
- 2 Repeat each verse, using a quieter voice each time until your final verse is silent, and the child is just doing the actions to the silent beat.
- 3 For "Hammer", you can beat your fists on the knees, for "Shake", shake your hands, for "Roll", roll your arms, for "Clap", clap your hands, and for "Shh", put your finger to your lips.

Chant the verse, each time getting quieter until the children  
are doing the actions to a silent beat
